
GROUP 700 – ELON, NC
EXECUTIVE DISCUSSION
MAY 2020

*****Winner*****

Teaching Community College. CC was abysmal so I decided to be the instructor. It doesn't pay much, but I do get first crack at any potential students to become employees. Plus, it is badly needed. Steven & Susan Moss

*****Second Place (tie)*****

SWOT Analysis of software needs. Looking forward, what are future needs of software in the store environment? Must be able to support more stations without crashing, integrate with multiple third-party vendors. These questions forced us to look at our current hardware needs and realized we had to upgrade. We upgraded to Freedom Soft and have loved it. Guido Bertoli, Gary Voss, Darrin Dole

Using 2% cash back credit cards FOR EVERYTHING. We had a Capital One credit card with 2% cash back and never used it. We started using it for everything personal and business and vendors – everything – and now it gets us \$20,000 in non 1099 income. Brad & Ryan Goff.
